Presentation Guidelines

1. Paper Presentation

Each presenter will have approximately 15 minutes to present and discuss the key points of his or her work.

- Please be aware of time constraints. It is VERY important to be within the timeframe so other presenters in your session have adequate time for their presentations.
- Please honor the order of presentation, so attendees can plan ahead to go to other concurrent sessions.
- Once all presenters have had the opportunity to speak, there will be a 15-minute open floor discussion.
- A LCD projector with a laptop personal computer (Microsoft Office programs, and Internet access are available), and screen are provided in each room in which paper presentations are held.

The session chair will introduce each presenter of the session and lead the discussion. And please ...

- make sure each presenter will have adequate time, this means to cut the presentation that is extended over 15 minutes.
- honor the order of presentation.
- lead the discussion. If you like to, you can give a full review of papers, but it is totally up to you.

2. Poster Presentation

Each poster presentation will have a space with size of 90cm×120cm (portrait style). And please...

- prepare your work and show it on the space no later than 16:30 pm on July 8, 2016.
- make sure each poster needs at least one presenter to interpret findings.
- finish your poster presentation and clean up your poster space by 18:45 noon on July 9, 2016.

In addition to the papers and posters presentation sessions, there is a 90-minute session for the Journal-Editor Panel, a 60-minute session for country reports, and a 15-minute session for Business Meeting.
